My Brothers,

First of all I would like thank the brothers of Roe Fulkerson for hosting us this month. We look forward to their hospitality and brotherly love.

Let's remember brothers that we are all one family. Let us make it a point to visit all of our lodges over the next 10 months. Lodges are having guest lecturers, great dinners, and even better fellowship. Let's remember that we are not on islands we are all one.

One of the ways that we can interact with each other is in our degrees. I always love to see your full sideline when we have any of our degrees. Make it a special point to see each other's degrees..

Lastly brothers I want to give a special recognition to RWDDGM Ryan Lombardi, RH Hector Mirabiles, and RW Michael Tishman. Over the last few years they have been instrumental in School of instruction and open books. I have seen many brothers coming through working very hard to refine themselves to become the perfect ashlar and each time these dedicated brothers have been there to guide them. I myself and many others owe them a debt of gratitude. Thank you brothers for being the light in our district.

Fraternally,

W.: Eran Erez, PM

School of instruction (7:00PM-8:00PM) March 2nd & 21st, 2022 at Doric Lodge No. 140

Greetings Brothers,

These past few months have been impacting to our Fraternity by so many Brothers who we know throughout the state laying down their working tools. During this time of transitions, it is proper that we reflect on the Meaning of Freemasonry and why we strive so hard to learn its sublime teachings. We have so much to be thankful for but clearly the defining moment what we have done during our stay on this wonderful planet. One of the hardest things we can achieve is being humble enough to keep our minds open and witness the beauty and grandeur of our universe and our creator. Our ego always gets in the way and prisms our view of reality. With this premise in mind, it is important that we reflect upon the tenets of Freemasonry and how we applied them in our everyday lives. Are we Freemasons every day or only when it is important to be so? Freemasonry is always a transformation process requiring our devotion. After all we are in the process of building that house not made with hands eternal in the heavens until we lay down our working tools. Thus, we must labor every moment of our lives to perfect the stones of our building. We are constantly using all the working tools for this purpose as well as using our senses to guide our actions through the external environment of our universe. We also need to learn how to awaken that inner sense by applying the teachings of our Fraternity and looking deep into ourselves through our transformation process.

We are introduced to the 24-inch gauge to learn time management and ensure that we purposely use our time for our transformation and not allow external forces to consume such precious a commodity. For time cannot be waived since it can never be recuperated. The common gavel is our will to divest our minds and conscious of unnecessary things. This means that we should not use our minds for hatred, getting even, developing plans for inappropriate action, or simply wishing for a better physical position in life. That is not to say that we can not aspire for greater health, financial rewards, and positions of greater responsibilities. What I am saying is that dreaming and not acting in a prudent and proper fashion is simply wasting our time and energy.

Open Books (5:00 PM-8:00 PM) March 2nd & 21st, 2022 at Doric Lodge No. 140  
School of instruction (7:00PM-8:00PM) March 2nd & 21st, 2022 at Doric Lodge No. 140

When you next visit your lodge and witness the opening and closing ritual ask yourself the following:

1. What is the meaning of this ritual that I am witnessing?
2. How do I feel during the opening and closing ceremonies?
3. What do the prayers mean to me?

These questions help us focus our minds towards that undiscovered country, from whose born non shall return. I know that meetings can be boring but that is because we are not mindful of the dialogue between brothers and how they impact us spiritually, emotionally, and physically. Once we learn to be mindful of ourselves (spiritually, emotionally, and physically) we will learn about ourselves more and more until we are ready to move to another learning experience. Devotion to greater light is our mission and how best to stay on the path than to learn our ritual in perfect form (at least as best we can). Thus, I invite all Brothers to attend our Open Books and School of Instructions and aspire to perfect yourselves (spiritually, emotionally, and physically) through Freemasonry.

Fraternally,

R.:H.: Hector Mirabile, PhD District Instructor

My Brothers

In February, we were able to take the boys, Dad Advisors, and parents to Top Golf for some exciting golf playing and lunch. It was great to have the boys out and about, meeting up and having fellowship. I can't believe how tall these boys got after 2 years. And on Feb 15th, Westside celebrated its 57th year in existence.

Next month, we will try to do something fun and educational and start game planning for recruitment. Worshipful Masters, you will be contacted soon to setup a visit with myself for recruitment of boys and Dad Advisor.

Fraternally,

W.: Roman Maciag

If you were like to request the boys to assist with serving dinner at your stated meeting, picnic set-up, special events, participate at a charity, Installation, give a DeMolay presentation, or showcase one of our DeMolay open ceremonies OR if you have a boy (age 12-21) that is interested in joining our chapter

Hollywood Girls are marching forward toward excellence. We just returned from our February Official Visit with the Grand Worthy Advisor. Our Grand Officers and one of our other Hollywood members set the bar high with their presentation on the floor. They each excelled in their station. We are so proud of them. Congratulations Nyekia, Abigail, and Ariana. In March we will be traveling again to the Orlando area for the Grand Worthy Advisors Homecoming and the Grand Officer tryouts. Florida Rainbow Girls must apply to be a grand officers, present their ritual and floor work in a tryout for the Grand Executive Board (GEB), and then, later, participate in a one-on-one interview with the GEB over Zoom. The process is a rigorous one, especially if a young girl desires to be a Grand Worthy Advisor. Hollywood Girls historically perform well through this process. We look forward to sharing which appointments we will have for the upcoming 2022-2023 term. Best of luck to Abigail and Ariana!

Thank you to all of the lodges who have invited our girls to attend one of their meetings. We look forward to visiting North Star Lodge this month.

Throughout the remainder of this term, Hollywood will be selling raffle tickets for a pellet smoker. This will be raffled off at our Grand Assembly. You need not be present to win. The cost of the tickets is \$10. All monies go to support our statewide service project Camp Boggy Creek. If each of our masonic family in our district purchases one ticket, we will more than meet our goal. Please let us know if you would like to participate.

We are looking forward to initiating more girls into our assembly when we attend Grand Assembly in St. Augustine. If you know of a young lady who is interested in joining who is between the ages of 11-20, please connect her with us as soon as possible so we can meet her and begin the journey to Initiation. (June 29-Jul 3rd)

Thank you District 26 for the support you have shown our girls! We are truly lucky to have you in our masonic family.
